- 2.2.5 A student who has been given the status of being 'inactive' or has lost his/her status as a student no longer has the right to receive any benefit or use any facility as a student.

## PART 3- PROGRAMME STRUCTURE

## 3.1 Course Components

- 3.1.1 A student must take the courses which consist of Core Course(s) of the University, (including Languages and Co-curriculum), Core Courses of the Faculty, Core Courses of the Programme, Minor and/or Elective Courses.

## 3.2 Duration of the Study Permitted

- 3.2.1 A student must undergo a programme of study in accordance with the duration specified by the Senate.
- 3.2.2 The duration of study specified must be calculated from the date of the first registration including the duration/period of deferment due to failure in registering within the duration of registration specified or due to the suspension of study as a result of a disciplinary action taken by the University.
- 3.2.3 The Senate may consider an extension of the duration of study permitted if a student has a valid reason for it.

## 3.3 Number of Credit Hours for Graduation

- 3.3.1 A student must pass a number of credit hours (minimum 120 credit hours) in accordance with the programme structure as specified by the Senate.

## 3.4 Deferment of Study due to Health Problems

- 3.4.1 An application for the deferment of study for a semester must be submitted to the Dean for consideration. Approval for the deferment of study is on the 'semester-to-semester' basis and must not be more than two consecutive (2) semesters.
- 3.4.2 A student who is sick or ill may be allowed to defer his/her study, depending on the acknowledgement obtained from a Medical Officer from the University or a Government Hospital. In cases where a student experiences mental disturbances, a permission to defer his/her study is dependent on the acknowledgement from a Medical Officer from the University or the Government Hospital concerned.
- 3.4.3 Parents or guardians of a student who has a prolonged health problem must apply, on behalf of the student concerned, by submitting an acknowledgement from the Medical Officer from the University or a Government Hospital to the Dean to defer his/her study for a semester within a suitable/reasonable duration/period of time.
- 3.4.4 After the approval for the deferment of study has been given, all courses which have been registered for in the semester concerned will be cancelled.
- 3.4.5 If a student needs to defer his/her study for more than two (2) consecutive semesters, he/she needs to refer to the University's Medical Board. The Senate will make a decision based on the recommendation given by the Medical Board.

- 3.4.6 The period/duration of deferment of study approved under Regulation 3.4 will not be considered as the duration of deferment permitted according to Regulations 3.2.1 and 3.2.2.
- 3.5 Deferment of the Study other than Health Problems
- 3.5.1 A student who encounters a problem other than those stated in Regulation 3.4 must submit a written application to the Dean of the Faculty to defer his/her study within the period specified.
- 3.5.2 The duration/period of deferment of study must not be more than one (1) semester.
- 3.5.3 If a student requires deferment for more than one (1) semester in a row (consecutively), he/she must be referred to the Senate for consideration.
- 3.5.4 After the deferment of study has been approved, all courses which have been registered in the semester concerned will be cancelled.
- 3.5.5 The period/duration of deferment of study approved under Regulation 3.5 will not be taken into account as the duration of study approved under Regulations 3.2.1 and 3.2.2.
- 3.6 Suspension of the Study under Section 15D AUKU
- 3.6.1 The duration of a semester involved in the suspension of study under subsection 15D (1) and (7) of the University and University College Act 1971 (Act 30) must not be taken into consideration as part of the maximum duration of study permitted for graduation.

#### PART 4- REGISTRATION

- 4.1 Course Registration
- 4.1.1 Students are required to register all courses taken in each semester.
- 4.1.2 With the exception of new students, pre-registration of courses for any semester must be completed in Weeks 10 and 11 of the preceding semester as stipulated by the University.

## 8.1 Assessments

- 8.1.1 Each course conducted must have its methods of continuous assessment(s) and/or final examination.
- 8.1.2 Assessments of each course are done continuously based on coursework, a final examination, and other forms of assessment conducted in a semester in accordance with the regulations specified by the Faculty/Centre and is subject to the Senate's approval.
- 8.1.3 Assessment for practicum/industrial practice/academic practice/teaching practice/internship/clinical posting is in accordance with the regulations specified by the Faculty/Centre and is subject to the Senate's approval.
- 8.1.4 In regard to courses which are assessed based on coursework and a final examination, weightage of coursework must not be less than 50% of the total marks allotted, while the weightage of the final examination must not be less than 30% and not more than 50%.
- 8.1.5 Assessment for a course which is based on 100% coursework must be conducted only with the Faculty's/Centre's approval.

## 8.2 Examination Requirements

- 8.2.1 The Dean may bar a student from sitting an examination if the student taking the course concerned -
- (a) did not attend or take one of the assessments without an appropriate/valid reason; or
  - (b) did not attend lectures without the Dean's permission.
- 8.2.2 The Senate may determine the procedures and regulations for conducting a final examination.
- 8.2.3 Without reducing any provision under Regulation 8.2.1, a student in the programme of Medicine will only be permitted to sit an examination after he/she has fulfilled the requirements of study, including values and attitudes of the medical profession.

## 8.3 Deferment of the Final Examination

- 8.3.1 Students who has a health problem during the final examination of a semester must apply to the Dean of the Faculty/Centre concerned to defer his/her examination. The application must be submitted within the duration of forty eight (48) hours after the examination is conducted. The application must be supported by a letter of acknowledgement from a Medical Officer of the University or a Government Hospital.

- 8.3.2 Parents or guardians of a student who has a critical health problem during the Final Examination may apply, on behalf of the student concerned, by submitting an acknowledgement from a Medical Officer of the University or Government Hospital to the Dean of the Faculty/Centre of the student concerned to defer his/her examination during a valid/appropriate period.
- 8.4 Replacement Examinations (Make-Up Examinations)
- 8.4.1 In case there is a deferment in accordance with Regulation 8.3, the date of a replacement examination or make-up examination will be decided in view of the appropriateness of the case concerned.
- 8.4.2 If a student is still not able to attend/take a replacement examination on the date specified without a valid/appropriate reason, the student must be given grade E for the course concerned and is required to register for the course again.
- 8.5 Submission of Practicum Reports/Academic Reports/Industrial Practice Reports/ Teaching Practice Reports/ Project Reports
- 8.5.1 A student who fails to submit a Practicum Report/ Academic Report/Industrial Practice Report/Teaching Practice Report/Project Report on the date specified will be given grade E or 'Failure' and is required to register for the course again in order to undergo the practicum/academic exercise/industrial practice/ teaching practice concerned later.
- 8.6 Special Repeat Examinations
- 8.6.1 A student who has failed a course taken in the final semester of his/her study at the University may apply to sit a special repeat examination for the purpose of graduation (conferment of the degree) subject to the following requirements –
- (a) The student is in the status of 'Pass' (with a CGPA of 2.00 or above); and
  - (b) Failure in the course concerned is not related to any academic fraud; and
  - (c) The status for the course concerned is not 'X'; and
  - (d) The course concerned is not a course that involves no final examination.
- 8.6.2 The student must pay a fee of RM100.00 for the processing of the special repeat examination before he is allowed to sit the (special repeat) examination.
- 8.6.3 A special repeat examination can be taken only once and an application must be submitted within the first two (2) weeks after the date on which the result is announced.
- 8.6.4 Assessment of the special repeat examination must be 100% based on the examination concerned.

- 8.6.5 The result given for a special repeat examination is either 'Pass' or 'Fail' only.
- 8.6.6 Regulations 8.6.1 to 8.6.5 are not applicable to the programme of Medicine. Special repeat examinations for the students of Medicine can be conducted for students who have obtained a value of course grade which is less than three (3). For students in Year 1 and Year 2, a repeat examination can be conducted one month after the final examination of the year concerned. A repeat examination for clinical posting can be conducted during an elective course at the end of Year 3 and at the beginning of Year 5.
- 8.6.7 The Faculty of Medicine and Health Sciences may conduct repeat examinations in accordance with its own regulations as approved by the Senate.
- 8.6.8 In regard to a repeat examination taken by students in Years 1 and 2 under Regulation 8.6.6, the assessment intended for grading must be 100% based on the marks obtained for the repeat examination concerned.
- 8.6.9 In regard to a repeat examination for clinical posting under 8.6.6, assessment for grading will take into consideration continuous assessment of the student concerned and the result obtained is just 'Pass/Fail' only. The student is allowed to take a repeat examination for clinical posting not more than two (2) times.
- 8.6.10 A student who has obtained a pass under Regulation 8.6.9 will be given a grade point of 3.00 in the calculation of CGPA.
- 8.6.11 A professional examination will be conducted at the end of Year 3 (Professional I) and Year 5 (Professional II). Only students who have obtained a CGPA of 3.00 and above are eligible to sit the examination.
- 8.6.12 Repeat examinations for Professional I and II will be conducted once in every 6 months.
- 8.7 Results of Final Assessments and Examinations
- 8.7.1 After the Senate's approval, a student will be informed of his/her -
- (a) result for every course;
  - (b) SGPA and CGPA;
  - (c) status of his/her study for each semester.
- 8.8 Review of Course Grades
- 8.8.1 A student is allowed apply for a review of course grade(s), with the exception of a special repeat examination, to the Dean of the Faculty or Centre where the course is offered, during the first two (2) weeks after the date on which the examination results are announced.

- 8.8.2 Every application for a review will incur a processing fee/payment of RM100.00 for each course.
- 8.8.3 An examination committee will be set up to review the course grade(s).
- 8.8.4 The Dean of the Faculty or Centre where the course is offered must set up a Committee of Examiners consisting of:
- (a) The Dean of the Faculty or Centre where the course is offered as the Chairperson or Deputy Dean who performs the academic function under circumstances where the Dean is not able to execute his/her task or has some vested interest in the paper to be reviewed;
  - (b) Programme Head/Coordinator for the course taken;
  - (c) Another (1) member appointed by the Dean; and
  - (d) Original Examiner of the course concerned;
  - (e) Assistant Registrar of the Faculty/Centre as the Secretary.
- 8.8.5 The Committee of Examiners must ensure that an overall assessment of the student (projects, quizzes, assignments, mid semester test and so on), including answer scripts of the final examination, is conducted and reviewed based on the marking scheme, and that the script(s) have been given marks consistently and correctly. Answer scripts for the course concerned will not be assessed all over again.
- 8.8.6 The Senate's decision on the application for a review of course grade(s) is final.

## PART 9– GRADE VALUE AND STATUS

[Effective As Of Semester 2 2016/2017 Session, Senate Amendments 5/2017]

### 9.1 Grades and Grade Value

- 9.1.1 For each course, grade value is based on the total marks obtained in assessments and final semester examinations.
- 9.1.2 Grades and grade value awarded for courses are as follows:

MARKS	GRADE	GRADE POINT(S)	STATUS
80 - 100	A	4.00	Pass with Distinction
75 - 79	A-	3.67	
70 - 74	B+	3.33	Pass with Credit
65 - 69	B	3.00	
60 - 64	B-	2.67	
55 - 59	C+	2.33	Pass
50 - 54	C	2.00	
45 - 49	C-	1.67	
40 - 44	D+	1.33	
35 - 39	D	1.00	
0 - 34	E	0.00	Fail
-	X	0.00	

9.1.3 Grade and grade value determination other than those listed in 9.1.2 for any programme based on the requirements of said programme is at the discretion of the Senate.

9.1.4 Subject to this prescribed method of allocation, students who do not complete or participate in any assessment or sit for the fixed final examination for any course are to be awarded Grade E as the overall grading for the said course.

9.1.5 Students who register for a specific course but have never attended class or participated in any assessment are to be awarded the 'X' status with Grade value 0.00.

## 9.2 Without Grade Value Status Codes

9.2.1 The definitions for Without Grade Value status codes are as follows:

TL	:	Incomplete (Tidak Lengkap)
SM	:	In Progress (Sedang Maju)
AU	:	Audit (Audit)
TD	:	Withdraw (Tarik Diri)
TP	:	Defer Examination (Tangguh Peperiksaan)
XX	:	Disciplinary Related – Academic (Berkaitan Tatatertib - Akademik)
LC	:	Pass With Distinction (Lulus Cemerlang)
L	:	Pass (Lulus)
G	:	Gagal (Fail)

9.2.2 The definitions for Without Grade Value status codes are as follows:

- (a) 'TL' (Incomplete) is granted with the consent of the Dean to students who do not complete at least 50% of course requirements due to valid reasons. Students are to complete the required assignments not later than two (2) weeks after the semester final examination to be eligible for full assessment and grading;
- (b) 'SM' (In progress) is granted to students registered in work or project that requires longer than one semester to complete. No grade value is awarded; the credit hour is only for the purpose of determining overall credit hours in the semester and not as a requirement for conferment of degree. Credit hours are calculated for the purpose of determining total credit hours after grade is obtained in the subsequent semester;
- (c) 'AU' (Audit) is granted to students who register for audit courses.
- (d) 'TD' (Withdraw) is granted to students who withdraw from any course.
- (e) 'TP' (Defer examination) is granted to students who are permitted to defer their examination.
- (f) 'XX' (Disciplinary action) is granted to students who are subjected to disciplinary action due to academic infringements. In the event they are found guilty, the said course will be assigned a grade E. If otherwise, their course grade will be based on the marks obtained.
- (g) 'LC' (Pass With Distinction) is granted to students registered for courses without any grade point value. Students who obtain Pass with Distinction in these courses will be assigned LC grade.
- (h) 'L' (Pass) is granted to students registered for courses without any grade point value. Students who obtain Pass in these courses will be assigned L status.
- (i) 'G' (Fail) is granted to students registered for courses without any grade point value. Students who fail these courses will be assigned G status.

9.3 Repeat Course Status Codes

9.3.1 The definitions for Repeat Course status codes are as follows:

UG	:	1st Grade Repeat
UG2	:	2nd Grade Repeat
UG3	:	3rd and subsequent Grade Repeat
UM	:	1st Subject Repeat
UM2	:	2nd Subject Repeat
UM3	:	3rd and subsequent Subject Repeat
UK	:	Special Repeat

9.3.2 The definitions for Repeat Course status codes are as follows:

- (a) 'UG' (Grade Repeat) is granted to students who apply to repeat courses for the purpose of improving grades at C- and below, except for Accountancy Programme.
- (b) 'UG2' (2nd Grade Repeat) is granted to students who apply to repeat the same UG courses due to still obtaining grade C- and below.
- (c) 'UG3' (Grade Repeat) is granted to students who apply to repeat UG2 courses due to still obtaining grade C- and below.

Note: Subsequent UG status is based on courses repeated until the required grade has been achieved.

- (d) 'UM' (1st Subject Repeat) is granted to students who fail compulsory courses or obtain SLB status (for courses in Engineering Programmes) and are required to repeat these courses.
- (e) 'UM2' (2nd Subject Repeat) is granted to students who fail or obtain SLB status (for courses in Engineering Programmes) for the second time.
- (f) 'UM3' (3rd Subject Repeat) is granted to students who fail or obtain SLB status (for courses in Engineering Programmes) for the third time.

Note: Subsequent UM status is based on courses repeated until the required pass has been obtained.

- (g) 'UK' (Special Repeat) examination is conducted for Final Year students for courses failed in the final semester for the purpose of graduating.

#### 9.4 Grade Assessment Credit Codes

9.4.1 Code and definition of credit in grade assessment is as follows:

KD : Registered Credit

KC : Credit Exemption

KS : Course Exemption

KP : Credit Transfer

KM: Deleted Credit

KL : Pass Credit

KG : Fail Credit

KK : Credit Count

KF : Cumulative Credit

9.4.2 Credit code definitions are as follows:

- (a) 'KD' (Registered Credit) is calculated based on the total registered and assessed course credit hours.
- (b) 'KC' (Credit Exemption) is calculated based on the credit hours of credit exempted course.
- (c) 'KS' (Course Exemption) is calculated based on the credit hours of exempted course.
- (d) 'KP' (Credit Transfer) is calculated based on the credit hours of credit transfer course.
- (e) 'KM' (Deleted Credit) is calculated based on the credit hours of:
  - i. Repeat Course (UM/UG) with original credit value replaced with new credit value or whichever is higher/ better; and/or
  - ii. equivalent course.
- (f) 'KL' (Pass Credit) is calculated based on the credit hours of courses registered, assessed and PASSED;
- (g) 'KG' (Fail Credit) is calculated based on the credit hours of courses registered, assessed and FAILED;
- (h) 'KK' (Credit Count) is calculated based on the total credit hours registered for the current semester and assessed including credit transfer courses (KP) except credit exemption courses (KC) and courses without grade value. This credit is for the purpose of semester GPA calculation;
- (i) 'KF' (Cumulative Credit) is calculated based on the total credit hours registered and assessed inclusive of credit transfers (KP) taking into account courses repeated due to failure of SLB by replacing original course grade value with new grade value or whichever is higher/ better except credit exemption courses and without grade value courses. This credit is for the purpose of CGPA calculation.

## PART 10- GRADE POINT AVERAGES

[Effective As Of Semester 2 2016/2017 Session , Senate Amendments 5/2017]

### 10.1 GPA and CGPA Calculation

- 10.1.1 All courses will be considered in the determination of students' GPA and CGPA.
- 10.1.2 Courses where grade 'E' and status 'X' are obtained are also included in the determination of GPA and CGPA.

- 10.1.3 For students repeating failed courses, CGPA is generated by replacing the original course grade value with the new grade value or whichever is higher without changing the GPA for the semester of the original course. CGPA changes will be reflected in the semester in which the repeat course is taken.

## 10.2 Grade Point Average Calculation Method

- 10.2.1 Calculation of Semester Grade Point Average is as follows:

$$\text{SGPA} = \frac{\text{Total grade value in current semester}}{\text{Total credit hours for all courses taken in current semester}}$$

Definition: Total credit hours for all courses in a current semester is based on total Credit Count (KK).

- 10.2.2 Calculation of Cumulative Grade Point Average is as follows:

$$\text{CGPA} = \frac{\text{Total grade value for all semester}}{\text{Total accumulated credit hours for all semester}}$$

Definition: Total accumulated credit hours for all semesters is based on Total Cumulative Credit (KF).

## PART 11- STUDENTS' STATUSES OF STUDY

### 11.1 Status of Study Given to a Student

L	:	Pass and Continue to Study
P	:	Probationary Period
LB	:	Conditional Pass
GB	:	Fail and Discontinue

### 11.2 Pass

- 11.2.1 A student is given the status of 'Pass' if he/she has obtained a CGPA of 2.00 or above. For a student in the programme of Medicine, the status of 'Pass' is given if the student has obtained a CGPA of 3.00 or above.

- 11.2.2 A student who is given the status of 'Pass' is eligible to continue his study.

### 11.3 Probationary Period

- 11.3.1 A student who is in the first semester of his/her first year of study and who has obtained a CGPA below 2.00 must be given the status of 'Probationary Period'. (He/she is on probation.)
- 11.3.2 A student who is in the first semester of his first year and who is given the status of 'Probationary Period' is eligible to continue his/her study.
- 11.3.3 Regulation 11.3 is not applicable to students in the programme of Medicine.

### 11.4 Conditional Pass

- 11.4.1 A student will be given the status of 'Conditional Pass' (LB) if he has obtained a CGPA in the range of 1.00 - 1.99 in any semester during his/her duration of study, excluding the first semester of his/her first year of study.
- 11.4.2 A student is permitted to continue his/her study but will be allowed to register for not more than fifteen (15) credit hours.
- 11.4.3 Regardless of the specifications stated in Regulation 11.4.2, the Dean may consider whether the student is permitted to take more than fifteen (15) credit hours. However, the total number of credit hours taken by the student in the semester concerned must not be more than eighteen (18) credit hours.
- 11.4.4 Regulation 11.4 is not applicable to students in the programme of Medicine.

### 11.5 Fail and Discontinue

- 11.5.1 A student will be given the status of 'Fail and Discontinue' (GB) if -
- (a) He/she obtains a CGPA below 2.00 for two (2) consecutive semesters (active semester) regardless of whether there is deferment of study or student is suspended in between the two (2) semesters;
  - (b) He/she obtains a CGPA below 1.00 in any semester of his/her study, excluding the first semester of his/her first year;
  - (c) the student in the programme of Medicine has obtained a CGPA below 2.50, excluding his/her first semester.
- 11.5.2 A student who has obtained 'Fail and Discontinue' will lose his/her status as a student (i.e., will stop being a student) at the University.
- 11.5.3 A student in the programme of Medicine and who has obtained a CGPA between 2.50 and 2.99 needs to repeat his/her year of study and if he/still fails to obtain a CGPA of 3.00, he/she will be given the status 'Fail' and his study will be terminated.

11.5.4 A student in the programme of Medicine will be given the status 'Fail' and his study will be terminated if he/she fails his/her Professional I Examination after repeating it twice.

## 11.6 Withdrawal and Termination of Study

11.6.1 A student will be given the status of 'Withdrawal' and his study will be terminated if -

- (a) he/she is not able to complete his/her study within the duration/period specified.
- (b) he/she has not registered for 2 semesters consecutively without any written permission from the University.
- (c) withdraws from continuing his/her study.
- (d) is expelled from the University as a result of a disciplinary action.

## 11.7 Appeal for a Continuation of Study

11.7.1 A student who has been given the status 'Fail and Discontinue' in accordance with Regulation 11.5.1 may appeal to the Senate in accordance with the following requirements:

- (a) The appeal is permitted only once during his/her duration of study;
- (b) The student concerned must pay the processing fee required by the University;
- (c) The student concerned must obtain a permission from the Dean to appeal within two (2) weeks after the date on which his/her status 'Fail and Discontinue' is notified;

11.7.2 The Dean, after receiving the appeal concerned must bring the appeal to the Academic Committee at the Faculty/Centre level before it is presented for consideration by the Senate.

11.7.3 The Senate may consider the appeal of a student who has obtained the status 'Fail and Discontinue' by-

- (a) permitting the student to continue his/her study, and the student must register in the following semester, and not in the semester in which the appeal is submitted. However, the semester in which the appeal is submitted is not to be taken into consideration as part of the maximum duration of study calculated;
- (b) allowing the student to continue his study by either remaining in the same Programme/Faculty/Centre or moving/changing another Programme/Faculty/ /Centre decided by the Senate; or
- (c) rejecting the appeal.

- 11.7.4 A student may apply for a transfer of credit hours if he/she changes/moves over to another Programme/Faculty/Centre subject to the Rules/Guidelines concerned.
- 11.7.5 The Senate's decision under Regulation 11.7.3 is final, and the student is not permitted to appeal again.

## PART 12- CONFERMENT OF BACHELOR'S DEGREES

### 12.1 Conditions for the Conferment of Degrees

- 12.1.1 A student must fulfil all the following conditions and requirements of the University in order to be conferred the Bachelor's Degree with Honours.
- (a) A student has passed all the courses and attained the total number of credit hours specified according to the requirements of the Faculty/Centre as approved by the Senate within the duration specified;
  - (b) The student has obtained a CGPA of at least 2.00, or for a student in the programme of Medicine must have obtained a CGPA of at least 3.0;
  - (c) The student has completed a minimum duration specified for his/her programme of study;
  - (d) The student has passed the MUET with at least Band 3 or an average of Grade C in his/her English courses at the University; and
  - (e) For a student in the programme of Medicine, the student has passed Professional I and II Examinations with a minimum average score of 50% and has passed his/her clinical assessment and has fulfilled all the requirements specified by the Faculty of Medicine and Health Sciences; and
  - (f) The student's application is approved by the Senate.

### 12.2 Requirements for the Conferment of a Posthumous Degree

- 12.2.1 The Senate may confer a Posthumous Degree to a student who passed away during his/her related duration/period of study at the University.
- 12.2.2 The conferment of a Posthumous Degree is subject to the requirements as follows:
- (a) The student fulfilled at least 75% of the requirements in his programme of study.
  - (b) The student must have obtained a CGPA of 2.00 and above in each semester throughout his/her duration of study.
- 12.2.3 The Senate may grant an exemption to the requirements specified in Regulation 12.2.2.

### 12.3 Classification of Degrees

12.3.1 A student who is eligible to receive a Bachelor's Degree with Honours is given a level of academic achievement in accordance with the following classes:

CGPA	Class
3.67 - 4.00	Class One
3.00 - 3.66	Class Two : I
2.00 - 2.99	Class Two : II

12.3.2 Students in the programme of Medicine who are eligible to be conferred the degree in Medicine are given the following levels of academic achievement:

- (a) Students who have obtained a CGPA of 3.7 - 4.0 and a minimum of 70% in every Professional I and Professional II examination will be conferred a Bachelor of Medicine degree with Honours;
- (b) Students who have obtained a CGPA of 3.0 – 3.6 and have passed their professional examination will be conferred a Bachelor of Medicine degree.

## PART 13- PROVISION FOR EXEMPTION AND TRANSITION

### 13.1 Definitions

13.1.1 In this section -

"Abolished Regulations" means 'Regulations for Undergraduate Studies' which have been abolished or nullified under Regulation 1.2.1.

"Dates specified" means the dates on which the regulation(s) begin to be enforced.

### 13.2 Legality of the University's Actions

13.2.1 Any approval given and action taken by the Senate under the abolished regulations must, on the date specified, be regarded as being executed under this regulation and continues to be enforced and effective.

### 13.3 Rights of the University's Authorities and Officers Not Being Affected

13.3.1 All rights, privileges, liabilities, duties and obligations of the Authority/Authorities and Officers of this University under the abolished regulations must, on the date(s) specified, fall under and be regarded as the rights, privileges, liabilities, duties and obligations of the Authorities and Officers of the University under this regulation.

13.3.2 All acknowledgements or undertakings which have been given, and matters which have not been resolved/completed in front of the University's Authority and Officers under the abolished regulation(s), must be executed or continued on the date(s) specified, according to what is relevant, in front of the University's Authority and Officers under this regulation.

- 13.3.3 All existing responsibilities or liabilities, which have been executed by, or on behalf of, or for the purpose of the University's Authority and Officers under the abolished Regulations must, on the date specified, be enforced or be made effective for the University's Authority and Officers under this regulation.
- 13.4 Delegation of Powers
- 13.4.1 All powers delegated under the abolished regulations must, on the date specified and as long as they are consistent with this set of regulations, be regarded as having been delegated under this regulation.
- 13.5 Exemption from Regulations and Others
- 13.5.1 All regulations, orders, notices, forms and letters of authorisation issued or made by the University's Authority and Officers before the date specified must continue to be enforced in accordance with the regulations, orders, notices, forms and letters of authorisation consistently as long as they remain, or until they have been replaced or cancelled by this provision.
- 13.6 Students of the University
- 13.6.1 Students who have been accepted for admission, just before the date specified, to undertake a programme at the University under the abolished regulations and on the date specified are still undergoing the programme of study must be considered as having been accepted on the date specified for admission under this regulation.

#### PART 14 – GENERAL

- 14.1 This regulation and all its related interpretations which have been specified by the Senate will be immediately enforced and made effective.
- 14.2 Any further guidelines, manuals and regulations for implementation may be made under any provision of this regulation and must be adhered to.
- 14.3 However, the Senate reserves the right to amend the regulation(s) from time to time whenever necessary in accordance with the situation involved.
- 14.4 The Senate has the power to approve any exemption considered appropriate apart from the requirements of this regulation from time to time.

TABLE 1 -  
Sub-regulation 9.1.3

FACULTY OF ENGINEERING

- i. Grades and grade points which have been given to a course in the programme of Engineering are shown as follows:

MARKS	GRADE	NUMBER OF GRADE POINTS	STATUS
80-100	A	4.00	Distinction
75-79	A-	3.67	
70-74	B+	3.33	Credit
65-69	B	3.00	
60-64	B-	2.67	
55-59	C+	2.33	Pass
50-54	C	2.00	
45-49	C-	1.67	
40-44	D+	1.33	
35-39	D	1.00	Conditional Pass for the Subject (CPS)
0-34	E	0.00	Failure

- ii. A student who is in the status of 'Conditional Pass for the Subject' (CPS) and 'Failure' must repeat the course(s) concerned (Amendment in Senate Meeting 2/2015).
- iii. The tables showing the marks and statuses obtained for Industrial Practice in the Engineering programmes are given in parts (a) and (b) (Amendment in Senate Meeting 1/2016).

- (a) Statuses used for the assessment are indicated as follows:

No.	Marks	Status
1	90-100	Pass with Distinction
2	50-89	Pass
3	0-49	Failure

- (b) The elements included in the assessment are indicated as follows:

No.	Status	Explanation
1	Pass with a Distinction	A score of 90% and above is given if the student: (i) demonstrated an excellent performance according to a report given by the Supervisor in the Industrial Practice and Academic Assessor concerned; (ii) submitted his/her Daily Log Book to the Supervisor in his/her Industrial Practice for verification and signature; (iii) submitted a Technical Report and Daily Log Book to his/her Academic Assessor.
2	Pass	A score of 50%-89% is given if the student: (i) demonstrated a satisfactory performance according to a report given by the Supervisor in the Industrial Practice and the Academic Assessor concerned; (ii) submitted his/her Daily Log Book to the Supervisor in his/her Industrial Practice for verification and signature; (iii) submitted a Technical Report and Daily Log Book to his/her Academic Assessor.

No.	Status	Explanation
3	Failure	A score of 49% or below is given if the student: (i) failed to report for duty at the Organisation during the period of Industrial Practice; (ii) demonstrated an unsatisfactory performance according to a report given by his/her Supervisor in the Industrial Practice; (iv) did not submit his/her Technical Report to the Supervisor in his/her Industrial Practice and Academic Assessor; (v) did not undergo the Industrial Practice required during the period concerned; (vi) did not obtain an approval from his/her Supervisor in Industrial Practice or Academic Assessor for specific reasons.

### FACULTY OF COMPUTING AND INFORMATICS

- i. The tables showing the marks and statuses obtained for Industrial Practice in two programmes, which are HC00 and HC05, until the intake of cohort for Session 2015/2016, are given as follows (Amendment in Senate Meeting 1/2016):

- (a) Statuses used for the assessment are indicated as follows:

No.	Marks	Status
1	90-100	Pass with Distinction
2	50-89	Pass
3	0-49	Failure

- (b) The elements included in the assessment are indicated as follows:

No.	Status	Explanation
